

QUALITY POLICY

J&K Civil (WA) is a leading provider of Civil Construction Services to the WA Infrastructure, Mining and Resources sector and as such, is dedicated to delivering quality products and services to our clients and believes that this is one of the key factors in securing the future of continued business.

We are committed to ensure all our activities are performed in a systematic and controlled manner meeting or exceeding our client's expectations in an environment of continuous improvement and excellence.

To reinforce this J&K Civil (WA) management will:

- Communicate our quality management system to our employees, subcontractors and other relevant stakeholders highlighting its importance in securing us continued work;
- Complying with all relevant legislation, acts, codes of practice, Australian Standards and client project specific quality requirements;
- Ensure all activities are performed by competent and qualified personnel;
- Implement up to date quality practices and the systems to monitor and review them;
- Setting and periodically reviewing this Quality Policy, our quality objectives and practices in order to continually improve our business performance.

This policy applies to all business operations and functions, including those situations where employees are required to work off-site.

A handwritten signature in blue ink, appearing to read 'Jason Dow', is positioned above the printed name and title.
